

Fundraising newsletter - December 2018

Each term we will have a parent-led fundraiser. The groupings are as follows:

Kinder (K1 and K2) - November 2018

Junior (Grades 1 - 3) - 27 March 2019

Upper (Grades 4 - 6) - 31 May 2019

We would like to congratulate the Kinder group as their coin drive raised \$163,284.30. Grade 3, the winning class, received a pizza party and a no-weekend homework pass.

In addition to the parent-led fundraisers, we will be hosting JMTC's "ANNIE" on 09 February 2019 at 7:30 p.m. Tickets will cost \$1,500 and will be available to purchase from the office from Registration Day in January. We have purchased half of the house.

Every term the school has at least one Wacky Wednesday fundraising activity. All proceeds from these activities are used to supplement the cost of teacher training and development.

Computer lab/bathroom update

The building of the bathrooms and computer science lab was temporarily put on hold due to plumbing issues that the school was having. The landlords needed to approve costing for this to be rectified before we could continue. Due to delays in agreements, we will be making plans to complete the computer room and the infrastructure needed first and complete the bathrooms at a later time so that progress can be made. Construction of the computer room will resume in January 2019. We again want to thank Tile City, TankWeld and ARC for donating the materials needed for the bathroom. These items will be put to use as soon as the go-ahead is given by the landlords. The funds for this have already been secured.

Goals for the Academic Year 2018 -19

We would like to:

- install sails by the assembly area (US\$5,000)
- outfit the computer lab (US\$4,000 including projector, tables and chairs)
- upgrade technology for the teachers (US\$4,000)
- install a sound system for assembly area (US\$1,000) *Grade 6 last year donated a portable speaker which is currently in good use in the classrooms. However, the school is in need of proper sound equipment*

We welcome anyone who would like to join our committee. Currently our members are Karl Tulloch, Marianne (Nonie) Greaves, Leilani Hunt, Pat Myrie and Kyanne Taylor. We hope to have continuing support from our parent body so that we can achieve our goals.

We wish you all a Happy Holiday and a Prosperous New Year.
